# MYSOZO & SOZOAPP CLINICIAN **Tags**

### **View Tags**

- 1. Sign into MySOZO or SOZOapp as a clinician
- 2. Select a patient and navigate to a measurement
- 3. Select "Tags"

<u>Please note:</u> A tag must be first defined by an Administrator before it can be assigned to a measurement.

### **Add New Tag**

- 1. Select a tag from the drop down menu
- 2. Add tag description (Optional)
- 3. Select save icon

<u>Please note:</u> A tag can be assigned to a measurement just once. Those that are already assigned will be disabled.

## **Edit or Delete a Tag**

#### EDIT

- 1. Select the edit icon
- 2. Update the description
- 3. Select the save icon

#### DELETE

- 1. Select the delete icon
- Confirmation pop-up will appear. Select "Delete" to confirm deletion.
